Featured Products

Airtight Storage Box | Square Lever Lid

Square storage container with lever lid

Designed for grains, nuts and dry goods. The square shape stacks neatly, while the lever lid supports convenient everyday use.

OEM / ODM, coordinated specifications and custom packaging are available upon request.

Featured Products

Airtight Storage Box | Round Lever Lid

Round storage container with lever lid

The transparent body makes contents easy to identify. Ideal for kitchen counters, cabinets and pantry storage.

OEM / ODM, coordinated specifications and custom packaging are available upon request.

Featured Products

Glass Food Container | Borosilicate Glass

Glass food storage container

Suitable for refrigeration, portioning and table service. The sealed lid supports fresh food storage at home and in food-service settings.

OEM / ODM, coordinated specifications and custom packaging are available upon request.

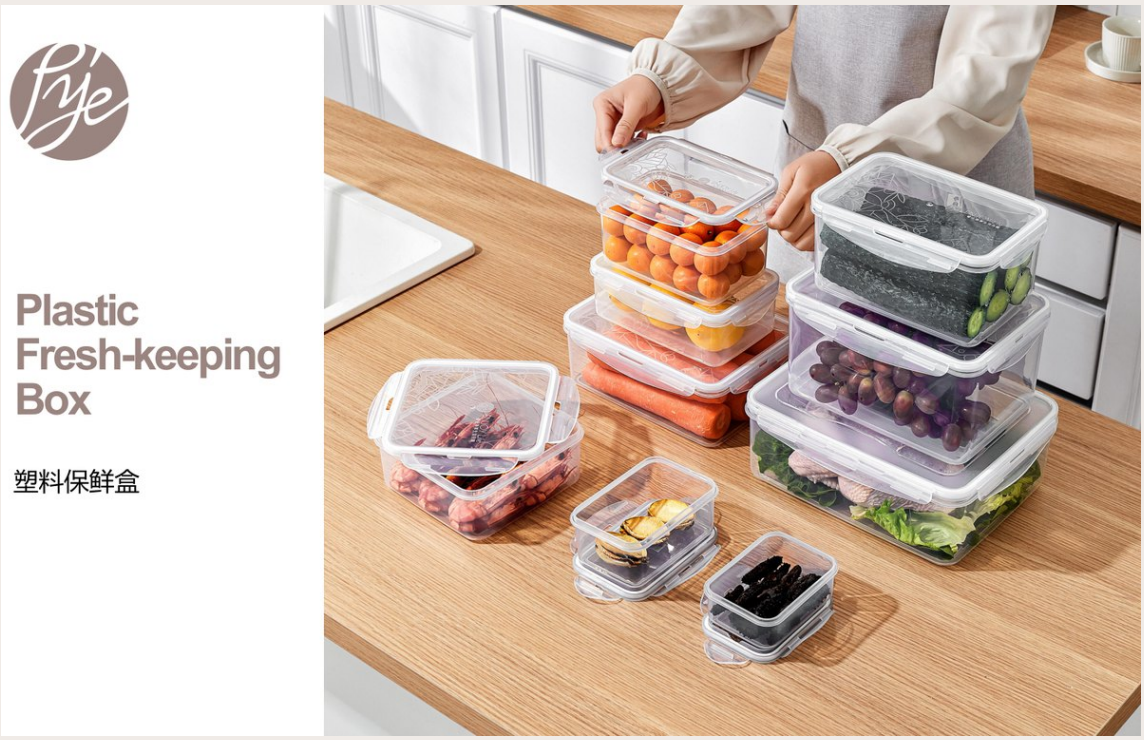
Featured Products

Glass Food Container | Sealed Heat-Resistant

Sealed heat-resistant glass container

Suitable for meal prep, refrigeration and portioning before or after heating. The clear body makes food status easy to check.

Featured Products



Plastic Food Container | Everyday Storage

Plastic food storage container

Lightweight and practical for everyday kitchen storage, portioning and portable use. Available in coordinated multi-size combinations.

OEM / ODM, coordinated specifications and custom packaging are available upon request.
